At a Council held at the Capitol December the 9th 1724. Present: The

Honble. Hugh Drysdale, Esqr. WHEREAS William Hurt, eldest son & heir of John Hurt, late of the Co. of King William, hath humbly represented to this Board that his father in his lifetime did take up & survey 400 acs. in St. John's Parish in sd. County & did return a survey thereof into the Secretaries Office & soon after departed this life, whereby it hath happened that the patent for the sd. land past in the name of the said John Hurt some few days after his decease; & for as much as the sd. William Hurt hath this day made application to the Governor that (for avoiding all disputes which may arise touching the said patent) he would be pleased to accept a surrender of the same & grant a new patent for sd. land to him, to whom the inheritance thereof would have descended in case the grant thereof had been passed during the life of his father. The Governor (with the advice of the Council) is pleased to order that the patent granted in the name of the sd. John Hurt for 400 acres bearing date the 20 day of Feb. last past & now surrendered be cancelled & that a new patent for sd. land be granted sd. William according to the prayer of his petition. (Signed): Wil Robertson, Clk. Cou.
